"Personal Raptor Experience"

The IRC **Adult Raptor Camp** is great. But some folks don't like group settings, some folks don't have a whole day to spend, others just have a fondness for one certain species, and then there are those looking for that perfect personalized gift for a loved one. A **Personal Raptor Experience** may be what these folks are looking for.

A **Personal Raptor Experience** is a once in a lifetime private meeting with a favorite bird of prey – up-close and personal. Participants will first learn everything they ever wanted to know about their favorite bird. Next, they will be familiarized with raptor handling equipment and how to use it. Then, when the participant is prepared and equipped, they will be introduced to the live bird of prey and finally it will be sitting on their fist.

Participants may bring their cameras.

The cost of a **Personal Raptor Experience** is \$300.00 per couple (limit of two couples in your group) with 1 raptor for 2 hours. This program is for ages 12 years to adult. Child must be accompanied by paying adult.

The cost of a **Personal Eagle Experience** is \$400.00 per couple (limit of two couples in your group) with 1 Bald Eagle for 2 hours. This program is for 18 years and older only.

Only fees paid in full reserve the date and time. A program fee is 75% refundable if the participant cancels the program and IRC will send you a donation receipt for 25%. A program fee is fully refundable if the IRC cancels the program.

Personal Raptor Experiences are held indoors. Personal Eagle Experiences are held indoors except when the eagle is being held on the glove. The eagle is too large to be indoors.

Available Raptors:

Email to information@illinoisraptorcenter.org to set up your PRE.
